## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-27 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The statement of reasons for allowance is set forth the same in the "statement of reasons for the indication of allowable subject matter" in the previous Office Action. The statement is repeated as followings:

Hodes (Pub. No.: US 2002/0088851) teaches prepaid packages each included a card having multiple personal identification numbers (PINs) for authorizations. The card may have additional PINs for downloading music or literature. ***Hodes fails to clearly teach that each PIN is used to make at least one long-distance call.***

Bauer et al. (Pub. No.: US 2004/0120475) teaches a virtual prepaid calling card account that contains two different personal identification numbers (PINs). The first PIN is used to make at least one long-distance call, but the second PIN is used to access to a subset of calling-card service so that the caller can record a message for the calling-card owner. ***Bauer also fails to teach the second PIN is used to make another at least one long-distance call.***

Paschini et al. (Pub. No.: US 2005/0008132) and New et al. (Pub. No.: US 2005/0123112) each teaches a virtual prepaid account system that allows a purchaser to buy multiple PINs from a point of sale (POS) terminal, and print such purchased PINs on a receipt. Each of the PINs can be used to make at least one long-distance call. However, ***Paschini et al.***

*and New et al. each fails to clearly teach the multiple purchased PINs are provided onto a virtual prepaid calling call or same prepaid account.*

Jacobs (US. Pat. #: 7,290,703) teaches a prepaid calling card having two portions each contained a PIN number for use of making at least one long-distance call. However, *the filing date of Jacobs was behind the filing date of present application.* Therefore, Jacobs can not be applied as a reference.

Other cited references are also fails to teach the limitations as recited claims 1-19.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
